

Dear Guest,

We appreciate your interest in our Monday Mission updates. We at [projectdiehard.org](http://projectdiehard.org) believe that Teamwork Makes The Dream Work and that Together Everyone Accomplishes More (TEAM).

We are a faith-based and scripture lead veteran non-profit organization, and our podcast is to keep people updated on the mission and give veterans HOPE. If you have a message of HOPE, a program or a product that can benefit veterans, we would like to set a time to meet with our founder. Please give us as much information as possible on your intentions of what you would like to share on the show.

We will review what you send, and we can move forward if it falls within our mission.

Here are things that will **not** be permitted:

1. No politics

2. No hate speech

3. If it does not help a veteran or our mission, then it is **not** allowed

Thank You, and God Bless

Sincerely,

The Monday Mission Team
